Index

Historiska Berlin

Anna W Thorbjörnsson & Marko T Wramén
x, 176p

Discover the historical heritage of Berlin which constantly makes its presence felt.

The book *Historical Berlin* guides us across the landscape of the city to locate the most interesting areas, often completely integrated into the city framework and therefore hard to find unless one knows what to look for: right here is where it all happened! In this place, in this building, Berlin has been at the epicentre of European contemporary history, and the book focuses on the period of the Second World War to the Cold War, with excursions both backwards and to the future in historical settings.

The authors also give tips on restaurants, cafes and bars where one can take a break and digest one's impressions. This is a book for the curious traveller who wishes to learn more about the events and places which have shaped our modern world.

About the authors

Anna W Thorbjörnsson and **Marko T Wramén** are professional travel journalists and authors. Together they have made hundreds of travel reportages around the world and written seven travel guides. Often their son Gustav, three years old, joins them on their adventures. Their latest book is *On the train through Europe*.
